FILMING NOTICE

Location: 229 Princes Gardens, London W3 0LU

Date & Times:

Preparation: between 01.09.2024 and 06.09.2024

Filming: Monday 9th September 2024 07:30-19:30

Dear Sir/Madam

Pressure Point Productions is currently in production of a new film called "Pressure". We are planning filming in this area and would like to make sure all residents and businesses are fully aware of our plans.

We will be filming scenes inside and outside one of the houses at Princes Gardens between 07:30-19:30. The action will mostly take place inside; however, we do have one scene of exteriors with vehicles driving off. The story takes place in 1944 therefore to sustain continuity of this period we asked Ealing Council for some temporary parking suspensions to deliver as realistic as possible picture.

- We will operate Stop & Go traffic management. Please see the map attached.
- We will only hold traffic for no longer than 2 minutes at any time.
- Stop & Go will be in operation only for couple of hours between 16:00-18:30.
- We may ask pedestrians to hold for a short time while we are filming on the road.

We will make every effort to cause the minimum of disturbance and business, resident and emergency services access will be always maintained.

PARKING

- To facilitate our filming we have requested a number of permit bays suspensions at Princes Gardens.
- Please look for yellow suspensions' signs.
- Please see the map at the back of this letter.
- We will be offering alternative parking for you from Sunday 8th September.

Location filming of any kind cannot work without the on-going support of the local community. We have been working closely with Ealing Film Office to help facilitate our shoot. I, or one of my Team, will always be on site during filming if you require any assistance on the day, please ask any member of crew for one of the 'locations department.'

We are following Film London and British Film Commission guidance to ensure we operate a safe film set, and work in a safe way for the public.

I fully appreciate that there may be a degree of inconvenience during our visit for which I apologize in advance, but please rest assured that we will do our best to keep any disruption to an absolute minimum. We recognize that to complete our work, we are dependent on your goodwill.

On behalf of the cast and crew I'd like to thank you for your anticipated kind cooperation.

Should you have any concerns or queries regarding the filming please do not hesitate to contact:
